

## **DON'T MISS THIS EXCLUSIVE OPPORTUNITY**

Have questions about USDA's inspection and reporting process for animal research facilities? Join NABR and the leadership of USDA's Animal Welfare Operations on July 18th for NABR's most popular webinar, [Q&A with the USDA: The Fifth Edition](#), and get these questions answered!

NABR is providing this [exclusive opportunity](#) for members and interested parties to ask questions directly to Drs. Elizabeth Meek and Bill Stokes, the USDA Eastern and Western Region Assistant Directors for Animal Welfare Operations.

Be sure to submit your questions to [info@nabr.org](mailto:info@nabr.org) today!

Questions will be reviewed, formatted and answered in the order they are received. As per our policy, all questions will remain anonymous.

**[REGISTER TODAY!](#)**

\*This webinar is a complimentary service for NABR member institutions. Unlimited numbers of interested participants from member institutions may register free of charge. Interested participants from non-member institutions must be pre-approved and will be charged an access fee of \$379/person. All major credit cards accepted.
